Professional Summary

Full Stack Software Developer with production experience in React, Django, Node.js, and ML-powered systems. Proven ability to deliver scalable APIs, real-time features, and data-driven applications. Quick learner, effective communicator, and collaborative team player who thrives in fast-paced Agile environments.

Education

Dayananda Sagar College of Engineering, Bengaluru

B.E. in Computer Science & Engineering (Data Science) – CGPA: 8.1

2023 – 2026

Bengaluru, KA

Government Polytechnic College, Bidar

Diploma in Mechanical Engineering – CGPA: 8.8

2020 – 2023

Bidar, KA

Technical Skills

Languages & Frontend: Python, JavaScript (ES6+), C++, SQL, TypeScript | Angular js, React, Tailwind CSS,

Backend & Databases: Node.js, Express.js, Flask, Django REST Framework | MongoDB, MySQL, SQLite

AI / ML: PyTorch, Scikit-learn, XGBoost, LSTM, CNN, Transformers, LLM, Prompt Engineering, OpenAI, Azure OpenAI, NLTK

DevOps & Cloud: Docker, Kubernetes, AWS, GitHub Actions (CI/CD), Git, Postman, Power BI, Tableau, Streamlit

Concepts: REST APIs, Microservices, System Design, DSA, OOP, DBMS, OS, Computer Networks

Soft Skills: Clear Communication | Adaptability | Fast Tech Adoption | Team Leadership | Problem Solving

Experience

SUGEE.IO – Technology Intern (AI & Software Development)

May 2026 – Present

AI · LLMs · Software Development · Financial Technology

Remote / Mumbai, MH

* Worked with the Technology Team on AI-powered software development and rural financial technology solutions.

* Contributed to AI, LLM-based tasks, and collaborative development practices in real-world projects.

MindMatrix.io (CL Infotech Pvt. Ltd.) - Android App Development Intern (Gen AI) — [Certificate](#) **Feb 2026 – May 2026**

Android Development · Gen AI · Firebase

Remote / Bengaluru, KA

* Developed and maintained production features across React (frontend) and Node.js/Django (backend) layers; develop automation

* Integrated APIs, authentication, and real-time database features to improve app functionality and user experience.

Nimblix Technologies OPC Pvt. Ltd. – Software Developer — [Certificate](#)

Feb 2026 - March 2026

Full Stack Development · Automation · Agile CI/CD

Remote / Bengaluru, KA

* Build and maintain production features across React (frontend) and Node.js/Django (backend) layers; develop automation pipelines that accelerate release cycles and reduce manual effort.

* Participate in code reviews, sprint planning, and GitHub Actions CI/CD workflows within a cross-functional Agile team.

Labmentix – Full Stack Web Development Intern — [Certificate](#)

Feb 2026 – Apr 2026

React · Node.js · Django · REST APIs · Performance Optimisation

Remote / Bengaluru, KA

* Delivered end-to-end features for real-world web apps – responsive React UIs, RESTful APIs, and optimised database queries – improving performance for production users.

Projects

Online Food Delivery Platform

Tech: React.js, Django REST Framework, JWT, SQLite, Python

Feb 2026

 **GitHub**

* Architected a full-stack food delivery app with modular Django backend (users, restaurants, orders), JWT auth, complete cart/order lifecycle, and real-time status updates via REST APIs.

Phishing Detection System

Tech: React.js, Django, XGBoost, Scikit-learn, Google Safe Browsing API, SQL

Aug 2025

 **GitHub**

* Built a real-time phishing platform with **95%+ ML accuracy** using XGBoost + URL feature engineering; integrated Google Safe Browsing & urlscan.io APIs for live threat intelligence.

Full Stack Cab Booking Platform

Tech: Next.js, Node.js, Express.js, MongoDB, Socket.io, JWT

Feb 2026

 **GitHub**

* Developed a real-time cab booking system with role-based access (Rider/Driver/Admin), Socket.io live ride-status, dynamic fare calculation, and automated payment tracking.

Certifications

Framework Training Certificate – Nimblix Technologies · SDE: Frontend, Backend & Python (*Feb–Mar 2026*)

NPTEL Deep Learning for NLP – 12-Week SWAYAM Course — [Certificate](#) (*Jan–Apr 2025*)

IBM SkillsBuild – Front-End Web Development with CSRBOX — [Certificate](#) (*Jul–Aug 2025*)
